

What is the Media?

Activity 1.1

Connect the media with the definition, or cut out each media and each definition and stick them together on a separate sheet

This is made from paper and you can read the news from it.	A laptop
You might have one of these in your sitting room or kitchen, it shows images and sounds and you can watch lots of different television shows on it	A comic
This can sit on your lap and you can play games on it and surf the internet.	A newspaper
People make phone calls on this, but it can also be used to surf the internet or play games.	A tablet
This is bigger than a mobile phone but can also be used to surf the internet or play games on it.	A poster
This is made from paper and is very colourful, You can read stories and look at pictures in this.	A television
These are on notice boards around your town or city. They encourage you to buy or use something like a drink, food or service.	A mobile phone
