

What is meant by the Media?

# Activity 1.1

**Connect the media with the definition, or cut out each media and each definition and stick them together on a separate sheet**

<p>This is made from paper and you can read the news from it.</p>
<p>You might have one of these in your sitting room or kitchen, it shows images and sounds and you can watch lots of different television shows on it.</p>
<p>This can sit on your lap and you can play games on it and surf the internet.</p>
<p>People make phone calls on this, but it can also be used to surf the internet or play games.</p>
<p>This is bigger than a mobile phone but can also be used to surf the internet or play games on it.</p>
<p>This is made from paper and is very colourful, You can read stories and look at pictures in this.</p>
<p>These are on notice boards around your town or city. They encourage you to buy or use something like a drink, food or service.</p>
